

## ***INSANE SPEED CHALLENGE***

# **Info, Rules, Guidelines**

**The Challenge:** INSANE SPEED CHALLENGE:

Build a speed run car to challenge "The King of Speed" NIC CASE?

**The Date:** Saturday, September 2, 2017

**The Place:** The ENCINO VELODROME, Encino CA

I will put up a \$100.00 prize, plus 100% of all "Insane Class" entry money if anyone can beat Nic Case and his INSANE Car.

The "Challenge" will include:

- 1) Must be a PAID Entrant in the VELO Race taking place.
- 2) Must beat the Lap Time NIC Set in practice at the MARCH EVENT.  
(6.16 sec.) this will be the benchmark.
- 3) Nic must not BEAT your time on the day of the event. Oh, and he also must BEAT his 6.16 second lap to grab the cash!!

**WINNER TAKES ALL** -- either YOU (the challenger) or **NIC the "KING of SPEED"**

**Specs:**

- 1/10th scale "Electric" only r/c car.
- 1 single motor (any wind/turn) Brushed or Brushless
- Up to 6 Lipo Cells (Nic ran his time on a 3s lipo, if that helps) or 18 'Round Cells'
- Any 1/10th scale body -- The body may be a Production Type, or Custom Build
- Wings/Spoilers MUST NOT be made of Metal, Carbon Fiber -- LEXAN ONLY
- Tires -- No Restrictions on tire type (at this time)

This event will take place at our Sept. 2&3rd Oval Race at the *Encino Velodrome*. Entry to the **INSANE SPEED CHALLENGE** will be open to those entered in a regular oval class as a 2nd Class entry at the amount of \$20.00 (Normal 2nd class entry is only \$10.00) -- However, if someone wants to participate who is **NOT** part of our regular show, they will be allowed to enter at a cost of \$60.00 which is the cost of a 1st class entry, plus the insane entry. The 1st \$40.00 would not be included in the "Insane Class" entry money towards the INSANE Payout.

I'm looking forward to see who will try to take Nic's Crown!
